MASTER OF SCIENCE IN FINANCE

ACCELERATED DEGREE PROGRAM (ADP)

Marquette University offers an Accelerated Degree Program that allows students to earn a bachelor's degree and master of science degree in finance in as little as five years.

WHY SHOULD YOU CONSIDER AN ADP IN FINANCE?

- Six to nine credits earned as an undergraduate will count toward both degrees.
- Completing the master's program in 12 months saves you time and gets you on with your career faster.
- The overall cost for a master's program is reduced, as you pay for as few as 21 graduate credits with ADP vs. 30 credits.
- Flexible program allows you to complete the program in one year full time or complete it on a part-time basis while starting your career.
- You will get the advanced skills you need to succeed sooner.
- You can start your career on a rewarding path.

APPLY FOR THE ACCELERATED DEGREE PROGRAM

Students may apply for the ADP in their junior year or over the summer. For information about the admission process or any additional information, contact:

Dr. Anthony Pennington-Cross, Program Director
