

Business Course/Discovery Tier Theme: Dual Apply Business Courses to Reduce Overall Minimum Credit Requirements

For use by students who started at Marquette University in Fall 2019 and after. A maximum of two courses in the Discovery Tier can apply towards the business core, major requirements and upper division business electives. If dual applying, this can reduce the overall number of credits a student needs to graduate by a maximum of 6 credits (or two courses).

Submit one form for each course need, a maximum of two courses. Complete form after class has been completed with a final grade, unless during a student's final semester at Marquette University. A handwritten form will not be accepted. Turn in this form for review to the College of Business Administration Dean's Office in DS101 or via email to Sara.Koenig@marquette.edu.

Section 1: Student Information

Name:

Last Name

First Name

Middle Initial

Email:

MUID:

Graduation Term:
