Job: We are looking for a Spanish-speaker who can pick up two young children (ages 5 and 3.5) from Highland Community School (corner of 17th & Highland Ave.) on Mondays and Wednesdays (with Thursdays a possibility if your schedule permits), walk them to the Marquette campus (~1/2 mile walk), and play/read/hang-out with them until 4:30pm. We are ideally looking for someone who speaks Spanish with native or near-native proficiency who will ONLY speak Spanish to them. This has the possibility of growing into regular evening/weekend babysitting opportunities, if you are interested.
