COR MINUTES

To: COR Members
From: Jeanne Hossenlopp
Date: 12/15/10
Re: Marquette University Committee on Research
Approved Minutes/ December 15, 2010 Meeting

Present: David Clark, Javier Foronda, Richard Friman, Arthur Hefti, Jeanne Hossenlopp, Tom Jablonsky, Doug Lobner, Beth McDonough, Keith Osterhage, William Pink, Joyce Wolburg, Pinfen Yang
Excused: Steve Melching, David Papke, Marianne Weiss
Also Present: Melody Baker (note taker)

The meeting was called to order by Dr. Jablonsky at 9:00 a.m. The agenda was approved.

Reports:
Report from the Vice Provost for Research –
Dr. Hossenlopp reported that the SFF/RRG award announcement letters went out.

Report from the Director of ORSP –
Mr. Osterhage shared a summary report from his office. He continues to encourage faculty to apply and reapply for funding.
Announcements for the poster award winners have gone out. Four people received awards this year (there was a tie for third place).
Mr. Osterhage also reported that due to some new federal regulations, data management plans will likely come up on a future agenda as well as changes to sub awards in relation to conflict of interest.

Report from ORC (Javier) –
Mr. Foronda reported that the Animal Care Guide just came out and there are some small changes regarding animal research. Also, there is an addition to the protocol form regarding hazardous materials that will need to be completed by all PI’s.

Unfinished Business:
SFF/RRG Outcome:
A total of $200,892 was awarded. The number of proposals funded from each group: 7 Humanities, 8 Natural & Applied Sciences, and 11 Social Sciences.

Improvements to SFF/RRG process –
This item will be moved to the January agenda to give members time to review the suggestions that were sent in to the grad school and make any additional suggestions. The guidelines will then be revised and updated as necessary.

Discussion of research priorities from the “strategic plan” power point, next steps –
The list of priorities that were submitted by some members was shared with everyone and discussed. Suggested next steps were discussed also and a position paper will be prepared.
In conclusion, the COR needs to take some initiative to gather opinions from faculty and deans, educate Advancement, Marketing, and Administration, and submit a clear and concise position paper on the importance of research. Dr. Jablonsky asked members to bring ideas on how to proceed with educating others regarding research, as discussed, to the January meeting.

New Business:

_Haggerty Award_

Nomination packets were distributed and instructions were reviewed. A recipient will be determined at the January meeting.

The meeting adjourned at 10:30am.
