Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

Assessment conducted in our core graduate courses indicates that our graduate students continue to demonstrate a strong grasp of fundamental concepts in EECE.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

Our EECE Non-thesis MS program has recently added a final comprehensive examination, which will beginning next year offer a new opportunity to perform more focused assessment within our six different key research areas of signal processing, control systems, electromagnetics, power and energy, algorithms, and solid state sensor systems.
