

Institutional Undergraduate Student Learning Outcomes

The mission of Marquette University is to provide a transformative education which prepares individuals to be societal leaders of conscience. This mission is reflected in the learning outcomes achieved by undergraduate students at Marquette University. The student outcomes are achieved through an integration of student learning in the Core of Common Studies, the academic major and the co-curricular programs and experiences. Students who complete an undergraduate degree at Marquette University will be prepared to:

1. Pursue an integration of knowledge into a comprehensive, transcendent vision of life.
2. Apply the knowledge and skills of an academic discipline, program, or profession to a career or graduate study.
3. Utilize critical thinking and reflection to effect positive change in themselves, others, and their communities.
4. Communicate in modes appropriate to various subjects and diverse audiences.
5. Exercise just, responsible and competent leadership in professional, intellectual, and social contexts.
6. Act for social justice within the diverse global human family.
