PUBLIC SERVICE M.A.P.S. (August 2006)
At the completion of the Public Service M.A.P.S. degree program, the graduate is able to:

1. Apply public service concepts to a community issue.

2. Identify ethical issues and apply ethical principles, values, theories or frameworks to public service practice.

3. Demonstrate the cultural and communication skills necessary to interact in a reciprocal exchange that honors the human dignity of all persons.

4. Apply theory and principles of group dynamics that assist in solving complex urban problems.

5. Apply quantitative and qualitative research methods to issues in public service.
