STUDENT-ATHLETE ACADEMIC SUPPORT (August 2006; Revised June 2013)
After participation of a year or more in the intercollegiate athletics center services, the student is able to:

1. Entering student-athletes will develop study skills that reduce anxiety associated with the challenges of college academics. Students will be able to manage their athletic and academic obligations.

2. Student-athletes will demonstrate academic success as defined by the NCAA Division I standards.
