Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

The majority of our majors meet our department expectations for the ABET A-K outcomes.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

Our assessment results show that our students sometimes do not recognize the most appropriate way to present their experimental results. The EECE faculty are committed to providing additional opportunities to assist students in data presentation and will continue to emphasize the use of graphs and tables.
