Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

2009-2010 assessment results indicate CRLS students are graduating with at least--if not above--proficient levels of mastery of criminological theories. CRLS faculty are quite pleased with this year's assessment results.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

CRLS faculty will continue to meet to discuss ways to improve assessment. CRLS faculty will consider adopting a capstone course for seniors.
