Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

Students are able to correctly interpret employment test and application blank information regarding hypothetical job applicants and arrive at the proper ranking of applicants.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

Regarding learning outcome 2, some students did not propose appropriate pay ranges for their pay structures. More complete guidelines will be developed regarding this aspect of designing pay structures.
