MARQUETTE UNIVERSITY
Program Assessment Report (AY2009-2010)
MSCS Mathematics for Elementary School Teachers Major

Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

Assessment for this new major will be carried out for the first time in the 2010-11 academic year.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

Not applicable.
