Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

Because the work of only one student was assessed, a claim about the program's success is premature.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

Communication of the Department's expectations for the master's essay in the MSST program could be improved. The Teacher Education Committee will draw up a set of guidelines for MSST master's essays.
