Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

Over 95% of our graduating senior majors were assessed as meeting or exceeding required levels of competency when applying real estate tools of development feasibility, financing, and valuation.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

Assessment of seniors may need to be more intensive to identify specific issues that need more emphasis.
