Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

Students living in our residential communities report that living in on-campus housing enhances their ability to solve problems and resolve conflict. They also report a significant increase in their ability to understand the consequences of alcohol and drug use and abuse. Interventions that relate to diverse interactions have a significant positive effect on students living in our residential communities.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

The department will examine additional ways of enhancing student learning as it pertains to problem solving and conflict resolution. We will also look for opportunities to expand our diverse interactions programming beyond our living learning communities.
