MARQUETTE UNIVERSITY
Program Assessment Report (AY2009-2010)
Theology Christian Doctrine Masters

Provide an example of the program’s most interesting or important assessment finding that demonstrates the program’s success associated with a program learning outcome.

All of our students were assessed as proficient on each of our learning outcomes Our current method of mentoring our students on their thesis/final paper is yielding excellent results.

Describe an assessment result that indicates an opportunity for improvement and identify the specific actions the program will take to improve student learning.

We measured that the preparation received in our MACD program shows that students will be able to complete their professional goals in the field of theology.
