NURSING (August 2006)
At the completion of the Nursing major, the graduate is able to:

1. Use the nursing process to provide evidence-based, culturally competent care that incorporates bio-psycho-social, ethical, and spiritual aspects of health.

2. Facilitate leadership through collaboration and advocacy to design and coordinate safe, cost-effective, quality care for individuals, families, and aggregates.

3. Enact professional behaviors that communicate respect for own and others’ values, commitment to ongoing learning, and promotion of social justice.
