Marquette University Medical Clinic
(August 2006; Revised October 2013)
After participating in services and programs provided by Medical Clinic, students will:

1. Actively choose to engage in health-promoting behaviors that support academic and lifelong success.

2. Demonstrate skills and behaviors that contribute to stress management by reducing the impact of stress on personal and academic success.

3. Provide a campus wide wellness promotion model that will advance the health and wellness of the entire campus community.
