MUPT Olympics 2007

The weekend that produces Olympic champs and bragging rights for the upcoming year passed with a bang. The MUPT Student/Faculty Olympics were held this past weekend, September 28th and 29th. Friday the 28th marked the end of the week long fundraising event, Penny Wars, which help raises money for the Physical Therapy Foundation. The infamous tug-of-war was held later on in the evening, where students dug deep to show who had the man and women power to out pull the competition. On Saturday, the schedule of events proceeded as followed: basketball tourney, sweatshirt swim relay, mental challenge, theraband launch and volleyball tourney. Everyone was a champion at the MUPT Olympics, however only one class could claim the honor of being declared champs. This year's standings are as followed:

1st Place: DPT6-130 points

2nd Place: DPT5-110 points

3rd Place: DPT4-70 points

4th Place: DPT2- 60 points

5th place: DPT1- 20 points

6th Place: DPT3-10 points

Focus and determination were key to the success of the DPT5's tug of war skills
