- You and your internship supervisor must sign this sheet.

## Internship Requirements

### Journal

- Each intern is required to keep a reflective journal detailing your experiences of the previous week.
- Individual departments will require specific information on your weekly submissions.
- This journal is confidential. However, information related to the safety of the intern will be shared with your department chair.
- This journal must be submitted electronically or via fax, (414) 288-3923, each Friday by 4:00 p.m. or Monday by 9 a.m. the following week.

### Paper

- You will have to complete an introspective paper on your internship experience.
- Guidelines will be included in the course syllabus.
- The paper will be due Friday, August 15, 2008.

### Exit Evaluation

- Interns are encouraged to have an exit interview with their supervisor.

## Student Signature

By signing this application is acknowledge that I have supplied accurate information and have read the internship guidelines. Furthermore, I understand that all internships for academic credit are pre-arranged and approved by the department and internship coordinator. I also understand that if this enrollment results in a course overload (over 19 credits) or is a summer internship, I will be billed additional or separate fees in accordance with the tuition rates in effect at the time of enrollment. I will abide by the codes of professional conduct and ethics as established by the College of Communication. I agree to complete all course requirements.
