

CENTROLEGAL

Centro Legal provides legal representation in family law and criminal misdemeanor defense to low-income families so they may maintain stable families and remain employed in the face of legal difficulties.

Why we do our work:

- Because we believe that every person deserves equal access to the justice system.
- Because we know that legal matters impact other aspects of our clients' lives. Compassionate legal representation can help stabilize children's lives, families and communities.
- Because we address an unmet need. We provide significant help to hundreds of litigants who are currently without advice, guidance or an empowered voice.
