

Committee on Staff Agenda

Thursday, August 19, 2010 2 – 4 p.m.

AMU Henke Lounge

1. Prayer/Reflection
2. Employee Concerns
 - equalizing short-term disability between administrators and support staff (the eligibility & usage anyway)
 - equalizing the use of vacation time between support staff and administrators..... administrators have a lose it or use it policy, support staff do not
 - administrators should start reporting sick time via payroll (they do not right now) so everything is unreported for administrators whereas support staff have to report every little thing
 - “those are real issues as support staff”
 - what about getting access to sick time for caring for a sick spouse, parent, or child that is not FMLA eligible?
 - right now if my babies are sick, it's vacation time or unpaid
 - can't COS set-up a portal on the mu website for COS requests/complaints?
 - Here's an example:
https://secure.ethicspoint.com/domain/en/report_custom.asp?clientid=13821
 - it wouldn't be that serious, but that one is anonymous
 - so you can report someone in your department ...
