### What previous students have said about the workshop:

"I had a wonderful time in this class and I would recommend it to all College of Professional Studies students!"

~ **Calvin Jemison**

"Professor Olson is an excellent professor and accommodates. [She] interacts with all skill levels."

~ **Corina Gencuski**

"Kathy [Olson] is an excellent teacher. She listened to our problems with the material and the next class she provided us the information necessary to understand it better. I extremely enjoyed these sessions and learned a lot in a great environment."

~ **Nicolina Blackerby**

"It has been awhile since I have engaged in algebra and I thought Kathy [Olson] was great! She really knows the material and makes understanding easy for her students."

~ **Denise M. Ward**
