"I think you should be more explicit here in step two."

The College of Professional Studies presents the Spring "Getting Ready for College Algebra" workshop. These non-credit classes are designed for both new and continuing students to prepare you for college-level algebra.

Develop or refresh your math skills in just six weeks!

Each session builds on the previous ones.
Strengthen your knowledge and see your progress!

Enrollment is open to both current Marquette students and non-Marquette students!

Session 1	Tuesday	January 19	Signed Numbers - Order of Operation - Linear Equations
Session 2	Tuesday	January 26	Fractional Equations - Formulas - Linear Inequalities
Session 3	Tuesday	February 2	Exponents - Polynomial Operations - Factoring
Session 4	Tuesday	February 9	Rational Expressions & Equations - Complex Fractions
Session 5	Tuesday	February 16	Roots - Radical Expressions - Imaginary Numbers
Session 6	Tuesday	February 23	Quadratic Equations - Radical Equations - Linear Functions

Sessions meet from 5:30-8:00 p.m. in TBD

MATH 1100: College Algebra will be offered during the Spring 2009 term on Tuesday and Thursday evenings from March 15-May 15, 2010. Register for MATH 1100 (Section 801) in Spring and your \$25 workshop fee will be refunded!

DEADLINE for Registration: Monday, January 11, 2010
ALL REGISTRATIONS ARE VOID UNLESS THE FEE IS ATTACHED.
Fees are non-refundable unless the workshop is cancelled.

Make checks payable to *Marquette University*.
For more information, call (414) 288-3153.

What previous students have said about the workshop:

"I had a wonderful time in this class and I would recommend it to all CPS students!"

~ Calvin Jemison

"I could've used her assistance earlier! I think anyone who did not take algebra would understand it after this workshop."

~ Ana Greer

"Professor Olson is an excellent professor and accommodates. [She] interacts with all skill levels."

~ Corina Gencuski

"Kathy [Olson] is an excellent teacher. She listened to our problems with the material and the next class she provided us the information necessary to understand it better. I extremely enjoyed these sessions and learned a lot in a great environment."

~ Nicolina Blackerby

"A lot of information for the price of the workshop series! Great value—would recommend to others."

~ Anonymous
