To access Going Global, click on the Career Services Center's **Career Gateway** link www.marquette.edu/gateway and log in with your eMarq username and password. Please be advised that your search session will time out after about 20 minutes, which will require you to exit the system and log in again via Career Gateway.

Before you begin searching international internships and job postings, it is beneficial to read about job search strategies, resume writing, interviewing and cultural advice as well as visa regulations pertinent to the country in which you are seeing employment. **Going Global Country Career Guides** provide insider tips for 24 countries with over 500 resources per country plus detailed explanations and hot links directly to the latest information.

To browse the Going Global Career Guides:

- Click on the Country Guides link on the Main Page to download the full list of the collection, sorted alphabetically by country. Clicking on a country name opens the Guide for that country.
- The Topic Overview for each Guide (accessed in the left-hand menu or by scrolling down the page) includes the topics covered in each section.
- You can also search the Going Global Career Guides by entering search words into the **Guide Search** box from the Country Guide page.

Going Global Daily Job Postings include over 250,000 worldwide internship and job listings. **All job postings are updated daily.**

To search the Going Global Daily Job Postings:

- Click on the Daily Job Postings on the Main Page.
- Click on the Search Worldwide by County link and choose a geographic location and industry.
- Once you obtain a list of positions that match your search criteria, you can receive job alert notifications for new postings (by clicking on the link called Create Search Agent and saving your search criteria).
- To search positions in the United States, please use Golden Eagle Search www.mu.edu/gateway.

To create a target list of organizations that may employ someone with your skill set, please click on the **Going Global Employer Directory** link on the Main Page as it features corporate profiles for 25,000 worldwide companies. A mixture of local and multinational employers is featured and includes data on sales, revenues, brands, officers, key contacts and more.

To browse The Global Key Employer Directory:

- Select **Employer Directory** on the Main Page and choose the desired country.
- By clicking on a country, you can view an alphabetical listing of all companies listed for that country.
- Clicking on a company name will take you to the page with the information for that company.
