

Transferable Skills

Know Yourself Series

Transferable, functional skills are required in many different work situations. They are built into your liberal arts education and are valued by employers. A bit of reflection will allow you to see that your courses, research projects, college work experience, extracurricular activities, internships and field study experiences have all been instrumental in providing you with skills that employers value. If asked in a job interview how your education has prepared you for a specific job, you can be ready with some good answers if you think about it beforehand.
