

The intelligence you need for the **career you want.**

Vault is an excellent source for career information. It will make your efforts at researching employers, industries, and career subjects infinitely easier and more efficient.

Resources include:

- 90+ e-books covering workplace topics
- 3,500 full-text articles
- 4,000 Employer Profiles and Company Rankings
- University profiles and Internship guides
- Thousands of user-generated reviews on Professions and Employers
- Industry and Profession profiles
- Career and profession discussion boards

Instructions for accessing Vault:

Vault can be accessed through the MU Career Services Center Career Gateway at: www.marquette.edu/csc
Login information for the Gateway is your emarq username and password. Click on Vault Career Library. Once in Vault, you will need to set up a new account.

*Alumni: Access the Career Gateway by using the Alumni page

My Vault:

My Vault allows you to create a profile, personalize a home page and follow discussions, companies, and industry information as well as save your job searches. My Vault can be found as a tab on the top of the website.

VAULT CAREER INSIDER Highlights:

Download Guides

The first step to start your career research. Download over 90+ guides containing information and advice on industries, interviews and resumes, career topics, employers and international careers

Job Search

Vault Career Insider allows you to search for jobs through their website. On the home page, on the right hand side, a search domain has been developed that allows you to specify keywords and locations of your future career. Once you have found a job, you can also apply through Vault Career Insider. Jobs can additionally be saved to "My Vault" for easy access later.

Company Listings

Search by company name, location or industry for insider information, discussions and company statistics. Company Listings also contains a corporate responsibilities section that allows you search for companies with specific programs such as leadership development, diversity, pro-bono, and green programs.

Company Rankings

Rankings for Law, Consulting, Tech Consulting, Banking, Accounting, Investment Management, Consumer Products, Law School, UK Law Firms, Europe Consulting, Europe Banking, and Asia Consulting Industries.

Industry Research

Industry overviews on 40+ popular career fields for beginning career research. Includes information from Vault, the community and Vault users working in the industry.

Professions

Discover information such as positive/negatives of the positions, job descriptions and related professions.
