ACADEMIC & TEACHING EXPERIENCE

Clinical Assistant Professor

Marquette University, Milwaukee, WI, August 2023

Teach graduate-level courses in the Department of Counselor Education and Counseling Psychology. Provide an exemplary educational experience for students that encourages diversity and social justice and adheres to CACREP standards, adequately preparing students for their professional careers. Courses taught include:

- ◆ Assessment in Counseling
- ◆ Internship in Clinical Mental Health Counseling

Adjunct Counseling Professor

Bradley University, Peoria, IL, June 2022-Present

Teach graduate-level courses online in the clinical mental health program. Adhere to CACREP standards and implement the university's mission to promote student success, embrace inclusiveness and connectivity, and enhance professional preparedness. Courses taught include:

- ◆ Counseling Diverse Populations
- ◆ Diagnosis & Treatment of Mental Disorders
- ◆ Interpersonal Behavior & Organizational Leadership

Adjunct Social Sciences Professor

Indiana Tech, Fort Wayne, IN, August 2021-May 2023

Teach undergraduate-level courses in the social sciences disciplines on-ground. Facilitate a student-centered, dynamic, and professional environment. Courses taught include:

- ◆ Group Dynamics
- ◆ Introduction to Psychology
- ◆ Learning & Cognition

Adjunct Counseling Professor & Faculty Advisor

Adler University, Chicago, IL, August 2019-Present

Teach graduate-level courses in the clinical mental health counseling program in on-ground, online, and blended formats. Adhere to CACREP standards and implement the school's mission to promote social justice, leadership, and advocacy in the mental health profession. Advise 18 students in the online clinical mental health program and provide mentorship, professional preparation, and course scheduling guidance.

Courses taught include:

- ◆ Counseling & Human Sexuality
- ◆ Counseling Skills
- ◆ Couples & Family Counseling
- ◆ Crisis Intervention & Trauma Counseling
- ◆ Diagnosing Maladaptive Behavior
- ◆ Group Counseling
- ◆ Human Growth & Development
- ◆ Professional Functions of Clinical Mental Health Counselors
- ◆ Treatment Planning & Intervention

Assistant to the Online Training Director

Adler University, Chicago, IL, November 2020-March 2021

Coordinated and verified clinical internship sites for master's students preparing to begin their counseling practicums and internships.

Social Justice Internship

Adler University, Chicago, IL, December 2018-May 2019

Interviewed community members in Illinois cities with correctional facilities and contributed to research on community views and recidivism rates. Assisted in developing a policy that promotes diversity on Adler's campus by comprising a list of vendors and suppliers that are owned by or support historically marginalized populations.

Teaching Internship

Adler University, Chicago, IL, January 2019-April 2019

Co-taught Human Growth & Development online for the clinical mental health counseling master's program.

Supervision Internship

Adler University, Chicago, IL, September 2018-December 2018

Provided weekly individual clinical supervision to master's level counselors-in-training.

CACREP Leadership & Advocacy Internship

Adler University, Chicago, IL, April 2018-August 2018

Updated and organized the student training manual for the Doctorate in Counselor Education & Supervision program in preparation for Adler University's CACREP application.

CLINICAL EXPERIENCE

Floor Supervisor & Psychotherapist

Pilsen Wellness Center, Chicago, IL, August 2015-June 2018

Provided individual, couples, and family psychotherapy to children, adolescents, and adults at an outpatient community mental health organization. Implemented counseling, crisis intervention, case management, client-centered treatment planning, medication monitoring, and client advocacy.

Administered weekly supervision to 9 psychotherapists on-site, trained newly hired staff members, and

lead monthly staff meetings to provide continued training, review organizational requirements, and offer additional support.

Clinical Mental Health Counseling Intern

RIMYA Services, Chicago, IL, February 2018-April 2018

Provided individual and family therapy services to children and adolescents involved in open cases with Illinois's Department of Child & Family Services.

Mental Health Counseling Intern

Presence Behavioral Health, Chicago, IL, August 2014-May 2015

Counseled children, adolescents, and adults with a variety of mental health diagnoses in a hospital's outpatient facility. Lead an intensive outpatient program group, assisting members with learning coping skills and daily living skills. Co-lead a women's empowerment group for women who were divorced, separated, and widowed and experiencing mental health issues.

RESEARCH

Doctoral Dissertation

Adler University, Chicago, IL, July 2022-Present

Currently collecting and analyzing data for a phenomenological research study aiming to identify the "it factor" in online dating.

Research Internship

Adler University, Chicago, IL, May 2019-August 2019

Assisted a full-time faculty member with a mixed-methods research study comparing students' perceptions of suicide before and after taking a course about counseling those impacted by suicide. Submission for publication is expected late 2022.
