Assistant/Associate Professor of Counselor Education, Marquette University

Position
Marquette University announces a tenure-track Assistant/Associate Professor position in the Department of Counselor Education and Counseling Psychology. Join a future-focused counselor education program committed to preparing professional counselors within a framework of social justice, multiculturalism, advocacy and leadership. Responsibilities include teaching core and clinical mental health counseling, supervising and advising students, maintaining a strong program of research and participating in professional and community service. All department faculty members contribute to curriculum development, program assessment and other administrative tasks.

Qualifications
Position requirements include: an earned doctorate in Counselor Education or a related doctorate with full-time experience teaching in counselor education prior to July 2013; evidence of strong abilities in teaching and supervision and capacity to maintain a program of research. Preference will be given to applicants with interests and expertise in one or more of the following areas: counseling diagnosis, assessment and treatments; crisis and trauma counseling; addictions and statistics and research methods. Competence in multicultural counseling and advocacy, familiarity with CACREP accreditation and immediate eligibility for Wisconsin licensure are highly desirable. Individuals who would contribute to the diversity of our faculty are strongly encouraged to apply.

The Department
Marquette University is a Catholic, Jesuit, doctoral research university located on a beautiful urban campus just minutes from downtown Milwaukee. The CECP Department, located in the College of Education, consists of 7 full-time faculty members and 63 masters and 22 doctoral students. The Department offers a 60-hour program in Clinical Mental Health Counseling, a 48-hour School Counseling program, and a doctoral program in Counseling Psychology. The counselor education program is pursuing initial CACREP accreditation with a site visit scheduled spring 2014.
Applications
Salary is competitive and start-up packages are available. Appointment will be at the Assistant or Associate Professor level based upon the candidate’s qualifications and experience. **Initial review of applications will begin January 6, 2014, but applications will be accepted and reviewed until the position is filled.** Applicants are requested to submit a letter of interest specifying qualifications for the position, a curriculum vitae and the names, affiliation, e-mail address and phone numbers of 5 professional references through the university job portal [https://employment.marquette.edu/postings/2239](https://employment.marquette.edu/postings/2239).
