-----------------------------------	----------	--	-------------------------------------	--	-------------------------------------	---	-------------------------------------	---	--	-------------------------

* *These are required Summer courses for Electrical and Electronic Engineering Co-ops; do not take them at other times.*

** *Course credits for Co-op work may be used as a substitute for one Tech. Elec. However, ALL Co-ops are encouraged to carry as many electives as they normally would have without these new credits.*

Co-op Office: 414-288-7134, FAX: 414-288-2027
