

ASCE SCHOLARSHIP PROGRAM
AMERICAN SOCIETY OF CIVIL ENGINEERS
WISCONSIN SECTION
SOUTHEAST BRANCH

PROCEDURES AND SELECTION CRITERIA

ELIGIBILITY: Student applicant must:

- be enrolled in a civil or architectural engineering curriculum at a school in the Southeast Branch area which has an active ASCE Student Chapter or Club;
- have reached at least sophomore status;
- have an anticipated graduation date of May 2010 or later;
- **be a member of an active ASCE Student Chapter or Club.**

CRITERIA: Scholarship recipients will be chosen based on the following selection criteria:

- Active member in ASCE Student Chapter or Club
- College GPA and extracurricular activities
- Community involvement
- Leadership potential
- Financial need may be indicated, but is not a major consideration.

SELECTION

PROCEDURE: Once scholarship applications have been received, an initial screening will be performed by the ASCE Southeast Wisconsin Scholarship Committee to determine scholarship finalists. These finalists may then be interviewed individually by the Committee. The Committee in cooperation with the ASCE Southeast Branch will then select awardees.

APPLICATION

DEADLINES: The initial application forms must be received by the Scholarship Committee Chair on or before **November 9, 2009**.

AWARDS: Scholarship awards will be in the amount of \$2,000. Typically awards are given to the top student applicant from each of the three universities in southeastern Wisconsin having ASCE student chapters: Marquette University, MSOE, and UWM. Awards will be announced in December 2009 and winners will be recognized at the ASCE Southeast Wisconsin Branch January 2010 Scholarship Meeting.
