

Educational Opportunity Program, Pre-College Division APPLICATION

Please check one : Upward Bound (8th grader) or Upward Bound Math & Science (9th grader)

Marquette University's Upward Bound (UB), our classic pre-college program designed to nurture success in pursuit of any career field and Upward Bound Math & Science (UBMS), our focused pre-college offering to students with a strong interest and desired success in a math and science career, serve the income-eligible and/or first-generation youth of Milwaukee. The Pre-College Division's specialized classes, college placement assistance, tutorials, ACT preparation classes, career development labs, academic and personal counseling, and social/cultural activities and trips, during both the academic school year and in a six-week summer program, help participants acquire the confidence, discipline, and responsibility needed for success in high school, college, and life.

OUR MISSION: *The EOP Pre-College Division supports, guides, and empowers first-generation, income-eligible young men and women as they strive for successful high school completion, post-secondary enrollment and graduation, and life-affirming careers and futures.*
