Publicizing your events in the halls is an excellent way to inform students of upcoming activities on campus. We are very fortunate to have so many organizations and departments that are eager to engage resident students and ORL would like to continue to provide an effective way for you to publicize your events. We have made some changes to our policy that will streamline the procedure and maximize effectiveness. Effective immediately;

1. Departments and student organizations must reserve space for lobby posters and floor posters
2. Reservations can be made up to one month in advance
3. Student organizations and departments are allowed no more than one posting per week
4. The maximum size lobby poster that will be accepted is 11X17
