EVERYTHING WE DO IS PART OF SOMETHING BIGGER

It’s why we pursue our mission: the search for truth, the discovery and sharing of knowledge, the fostering of personal and professional excellence, the promotion of a life of faith, and the development of leadership expressed in service to others. Or, as you’ll come to know it:

BE THE DIFFERENCE

Making a difference starts with doing things a little differently. Actually, a lot differently.

A Catholic, Jesuit university, Marquette is where you’ll learn to use your heart as much as your head, to powerfully lead by passionately serving others, and where you’ll prepare, as St. Ignatius said, to go forth and set the world on fire. Ultimately, it’s where you’ll learn to BE THE DIFFERENCE.
