

2012 – 2013

# APPLICATION

For Pre-Dental Scholars program

Marquette University has a long history of preparing undergraduates for professional school. In order to better serve some of our students who are interested in dentistry, Marquette has developed the Pre-Dental Scholars Program, an accelerated program that allows students to receive the benefits of a liberal education while enjoying conditional acceptance to Marquette's School of Dentistry. Pre-Dental Scholars complete a bachelor's degree and a dental degree in seven years, rather than the eight years normally required. Pre-Dental scholars complete the undergraduate part of their studies in three years and are awarded a bachelor's degree upon successful completion of their first year in dental school.

Marquette University will enroll a maximum of 20 students each year in the Pre-Dental Scholars Program. By fulfilling the requirements to remain in the program, Pre-Dental Scholars are guaranteed full acceptance to the School of Dentistry by the end of their junior year.

## Requirements:

- High school rank in the top 25 percent (when applicable)
- Minimum SAT combined score of 1200 (with individual math and verbal scores above 500) or minimum ACT composite score of 27 (with individual scores above 24)
- One year of biology and chemistry (physics recommended)
- Three years of college preparatory math, including trigonometry
- Two or more years of a foreign language
- Students must enroll in biological sciences or biomedical sciences majors

**Be The Difference.**

# 2012-13 SCHOLARSHIP APPLICATIONS NOTIFICATION TIMELINE

The scholarship review and decision process is one of careful discernment. As such, a thorough review of your application takes time. Please know that we work to have decisions made expeditiously while at the same time maintaining the integrity of the decision process.

We hope the notification information provided here helps to reduce any uncertainty in the process. Note: Every effort is made to meet the dates listed — all dates (except the February 15 deadline) are subject to change.

## Scholarship and Scholar Programs Application Deadline

All programs have a **February 15** deadline. Scholarship applications to Marquette are intended to be self-completing. Review the instructions to be sure you have supplied all necessary materials together in one packet.

## Review Period

The length of the review period varies depending on the nature of the scholarship or scholar program, and the number of applications received. All program applicants will receive notification of their status.

## Programs Requiring Interviews

Program finalists are contacted to arrange interviews around the date listed below. Not all programs require interviews.

March 15 Nancy Long-Pesiri Scholarship

April 1 Burke Scholarship  
Diederich Scholarship
