SCHOLARSHIP COMPETITION AND OPEN HOUSE

You and your family are invited to Marquette for a two-for-one deal: **Learn more about the College of Health Sciences and compete for a scholarship while you're on campus.**

Marquette's College of Health Sciences is sponsoring an open house and scholarship competition on Sunday, Feb. 12, 2017. Join us for the competition, open house activities and campus tours. You'll find event details and a schedule online at marquette.edu/explore.

Scholarship competition

During the scholarship portion of the event, each prospective College of Health Sciences student will have the opportunity to take an exam in one of the following subject areas based on intended major. There is nothing to study for the exam. We'll only ask you questions we think a high school senior should know. Times, locations and examination content areas are subject to change. Any changes will be reflected on the registration website.

Exam options: (CHOOSE ONE based on intended major)

- Biomedical sciences: The examination covers topics in mathematics and the natural sciences and includes a brief essay.
- Clinical laboratory science: The examination is a comprehensive overview of biology and chemistry (multiple-choice and essay questions).
- Exercise physiology: The examination covers topics in mathematics and the natural sciences and includes a brief essay.
- Speech pathology and audiology: The examination is an essay on the field of human communication and speech-language pathology.

Note: For all exams, please bring a calculator and No. 2 pencil.

Selection and award information

The College of Health Sciences will offer eight scholarships based on exam performance. The amount of each award is \$20,000 over four years, or \$2,500 per semester up to eight semesters.

- The health sciences scholarship competition exams are offered only on the Marquette campus on Sunday, Feb. 12, 2017. Given the nature of the examinations, absolutely no alternate dates are permitted.
- Winners are selected based entirely on exam performance.

Event schedule

Event schedules are posted at marquette.edu/explore. Events are offered for parents during the exam portion of the day. The day will last from 8 a.m. through the early afternoon. On-campus parking and location information will be shared upon registration.

How to register

- Register online at marquette.edu/explore. Click "Scholarship Competitions."
- Please note the student will need to indicate which subject area test she or he will be taking at the time of registration.
- Register by Friday, Feb. 3, 2017.

We hope you'll join us on Sunday, February 12.
