</table>

9–10:30 am  **Panel Presentation for Families, Varsity Theatre**

10:30–11 am  **Meet your student in Marquette Place**
AMU, 2nd floor

10:30 am–1 pm  **Opus College of Engineering Open House, Engineering Hall**

**DEPARTMENTS & LABORATORIES**

**Departments and Laboratories:**
Don’t miss this opportunity to meet the people and see the types of research and hands-on activities you’ll encounter as a Marquette engineer! Department homerooms will have information about where you can meet current students, faculty and staff from each department. All homerooms are located in Engineering Hall.

- **Biomedical Engineering Information: 336**
  Dr. Lars Olson, Interim Chair

- **Electrical & Computer Engineering Information: 236**
  Dr. Edwin Yaz, Chair

- **Civil, Construction & Environmental Engineering Information: 061**
  Dr. Chris Foley, Chair

- **Mechanical Engineering Information: 423**
  Dr. Kyuil Kim, Chair

**Discovery Learning Center: 125**
The Discovery Learning Center supports student-generated projects to develop prototypes or “proofs of concept.” The center affords students an opportunity to collaborate on projects beginning their first year as Marquette engineers.

**Engineering Freshman Lab: 136**
Especially for students who are undecided on a major, or those majoring in mechanical, electrical or computer engineering. Meet Dr. Hyunjae Park, Professor and Instructor of the Freshman Engineering Discovery Course and see current freshman projects.

**Table Displays:**

**First Floor**
- Academic Advising Center
- Engineers in the Lead (E-Lead)
- Financial Aid Services
- Co-op and Internships
- Study Abroad Opportunities
- ROTC Program
- Honors Program

**Second Floor**
- College Laptop Requirements
- Student Organizations

**Lower Level**
- Campus Tours
- T-shirts and Prizes
