

INSTRUCTIONS FOR PROVIDING A STATEMENT OF FINANCIAL SPONSORSHIP

TO THE STUDENT:

If you plan to enroll at Marquette University with F-1 (student) or with J-1 (exchange visitor) visa status based on Marquette legal documents, we are required by law to verify your financial ability to meet your expenses. That verification includes one or more official statements of financial support. Please see the following instructions and provide your sponsorship statement(s) to your admitting office at the Graduate School.

If all of your financial support will come from **one private sponsor**, please complete the information below and then ask your sponsor to read and complete page two of this form.

If all or part of your financial support will be from your **own personal funds**, please send us a current, official bank statement or similar account evidence that proves the availability of the total amount of money for the full duration of your studies.

If your financial support will come from your **government**, please arrange for your government to send us its official sponsorship document for you to study at Marquette University.

If you will have **more than one sponsor**, please make a copy of this form (both sides) for each sponsor, complete the information below for each form, and ask each sponsor to read and complete page two of the respective form.

STUDENT NAME: _____
(given name) (middle name) (family/last name)

APPLYING FOR GRADUATE STUDIES TO BEGIN IN _____
(month and year)

ACADEMIC PROGRAM: _____ DEGREE LEVEL: Master's Doctoral Other
(Circle one)

TO THE SPONSOR:

We have been informed that you will provide financial support for the student named above. Please read the following information about finances.

The U.S. government places regulations upon both the F-1 or J-1 visa student and the student's university. Because of these regulations, Marquette University requires a Statement of Financial Sponsorship (such as the form on the other side of this paper) and an advance deposit of money.

The Statement of Financial Sponsorship which we now need from you has two parts. Part I is your detailed guarantee of financial sponsorship for the student's living and studies at Marquette University. Part II is an official's attestation that you are truly the person who has signed Part I. You can use the form on page two of this form, or you can write your own statement to indicate all of the same assurances regarding your financial support for this student. This statement is for Marquette purposes. The United States government may require a different financial statement.

The official Marquette University cost estimate for graduate school tuition plus basic living and incidental expenses (except in the programs listed below) for F-1 and J-1 visa students during the 2011-12 year is U.S. \$30,295. In practice, some students spend more money while others spend slightly less. The combined cost of tuition for the two semesters of 2011-12 is \$17,010. The cost of basic living and incidental expenses during the two semesters of 2011-12 plus the summer (without Summer School tuition) is estimated at \$13,285. The \$17,010 plus the \$13,285 equals \$30,295 for one year. Costs are expected to increase each year.

(Graduate programs in Education and Dentistry have different tuition rates. Do not use this form if the student will study in one of those programs. Contact the Marquette Graduate School for more information.)
