Academic Integrity Tutorial Required for Registration

Are you one of the 500 graduate students who hasn’t yet completed the Academic Integrity Tutorial? Graduate students are required to complete the tutorial before registering for spring 2016 courses.

Click here for the tutorial

Please note that there is a posting period of 24 hours after the tutorial is completed before your registration hold will be removed from CheckMarq.

Procedures for Continuous Enrollment Courses

The Graduate School will now register graduate students for all continuous enrollment courses. Students should view the section titled “Registration – Continuous enrollment courses” to view the updated forms: http://www.marquette.edu/grad/forms_index.shtml.

Forms must be downloaded and signed by the student and adviser before submission to the Graduate School.

Welcome Dr. Carrianne Hayslett

The Graduate School is pleased to welcome Dr. Carrianne Hayslett as interim associate dean of the Graduate School.
Dr. Hayslett earned her undergraduate degree in education and history at the University of California, Riverside, and her master’s degree in education with an emphasis in psychology at Pepperdine University. She earned a Ph.D. in educational policy and leadership from Marquette’s College of Education in 2008.

Carrianne has worked with non-profit organizations and continues to work on projects for Marquette’s Center for Teaching and Learning. We are delighted to have her expertise and enthusiasm in the Graduate School.

**Marquette Climate Study Team Needs Your Input**

Graduate students are invited to participate in the follow-up to the Marquette Climate Study Forum next **Thursday, November 12 at 2:30 p.m. in Zilber Hall, Room 470**. We need your thoughts and suggestions in order to make our campus climate truly inclusive for everyone.

Click here to review the [Climate Study results Executive Summary](#)

Those participating should consider the following questions before attending:

- What results of the climate survey did you find most salient and meaningful?
- What are the top 3 campus-wide action steps the university should take to address those issues **within the next year**?

**Volunteer Recorders Needed for Peer Review Seminar**

Marquette’s Assessment Peer Review Seminar will take place Friday, November 13. This event brings together faculty who are program assessment leaders for a discussion on their assessment reports and other related topics.

Graduate students interested in serving as recorders for this event will have a front row seat on the thoughts and concerns of faculty in this process.

Sessions are held from 9 to 11:30 a.m. and from 1 to 3:30 p.m. on November 13. Recorders can use their own laptops or just write notes that will be transcribed. Capturing the theme of the conversation is the goal.

If you are interested in volunteering, email Dr. Sharron Ronco at sharron.ronco@marquette.edu.

**Check your Graduation Application in CheckMarq**

A new graduation application summary page is now available in CheckMarq. This page summarizes the information submitted when you applied for graduation. You will now receive an email when your graduation application has been submitted directing you to the Graduation link in CheckMarq to review and update your information.
To access the graduation summary page: log onto CheckMarq and enter the Student Services Center (Main Menu>Campus Community>Student Services Center). In the top left corner you will see a ‘Graduation’ link. Click on this link to see the information that was submitted.

You may review your application and edit your diploma name, invitee names/addresses and commencement participation choices directly from this page, without the need to submit an updated form.

When a graduation application is withdrawn, you will receive an email with a reminder that you must reapply for graduation in a future term. After an application is withdrawn, the summary page will no longer be available.
