How To Substantiate Flexible Spending Account (FSA) Expenses
For both the Health Care and Dependent Care Flexible Spending Accounts (FSA), staple copies of all receipts and expense documentation to the top left corner of the Reimbursement Form. Each FSA requires special information that must be included in the expense documentation.

For the Health Care FSA, receipts and expense documentation must include:
A. Date(s) of Service
B. Type of expense (e.g., eye exam)
C. Amount of the incurred expense
D. Name of Service Provider

For the Dependent Care FSA, statements from your provider(s) must include:
A. Date(s) of service
B. Charges
C. Service Provider's signature

You also have the option of obtaining your dependent care provider's signature on the Reimbursement Form. The provider signature substantiates the expense and, along with the remaining claim details, replaces the need for a receipt or other proof of service.

Substantiating Claims For Your Health Care FSA:
- Certain procedures and items require a prescription letter from a physician as part of your reimbursement documentation; the prescription letter must contain a specific diagnosis, state that the procedure or item is used to treat or cure the diagnosis and indicate the duration of the expense
- Cosmetic procedures are not covered under the BESTflex Plan
- Orthodontia contracts must contain the treatment start date, fee schedule and duration of payments

Substantiating Claims For Your Dependent Care FSA:
- Services must be incurred BEFORE they can be reimbursed
- Separate documentation, showing the name of the provider, date(s) of coverage and the expense amount, can be used to substantiate an expense
- The provider's signature must be included with the documentation or be on the daycare provider's letterhead
- The provider can also sign the Reimbursement Form in lieu of a receipt or other proof of service

How To Substantiate Over-The-Counter Drug Purchases
To be reimbursed for over-the-counter drug expenses, one of the following types of documentation must accompany your Reimbursement Form. There are no exceptions and you cannot be reimbursed without this documentation.

A. If the documentation includes the store's name, date of the purchase, a detailed description of the item, and the dollar amount, submit the documentation

OR

B. If the documentation includes the store's name, date of the purchase and dollar amount, but excludes the item name and description, you must include the item's box or the item's package – including its price tag – with the documentation

OR

C. If the documentation only includes the store's name, date of the purchase, and dollar amount, and the item does not come in a box or package, or the box or package does not include a price tag, you are responsible for obtaining substantiation from the store or pharmacy on their letterhead; the additional substantiation must state the name of the item, the date on which it was purchased, the dollar amount and be included with the documentation

It is up to you to fully substantiate over-the-counter items. The substantiation must come from a third party. You cannot write the missing information on the documentation. Cancelled checks or credit card statements are not valid forms of documentation.
How To Submit A Reimbursement Form

When you incur a medical or daycare expense during the plan year, you send a Reimbursement Form and expense documentation to Employee Benefits Corporation.

1. Complete a Reimbursement Form and attach documentation, supporting invoices, receipts, Explanation of Benefits (EOB), etc.
2. Sign and date the form
3. Photocopy the form and documentation, and mail or fax them to us; your documentation must include a complete description and cost of the product or service

Submit The Form By U.S. Mail:
You may submit in one envelope as many forms with documentation as you would like. Be sure the documentation is stapled to the Reimbursement Form to which it applies or your claim may be excluded.

Submit The Form By Fax:
Submit only one form with documentation per fax transmission. Be sure the documentation is faxed with the Reimbursement Form to which it applies or your claim may be excluded. It usually takes up to three business days to process faxed claims. Once they are processed, you can quickly and easily review the status of your claim on our web site at www.ebcflex.com.

Do Not Submit A Form If Claims Are Submitted Electronically:
If your provider or carrier electronically submits claims to Employee Benefits Corporation, you should not submit a Reimbursement Form for those expenses. Contact your Human Resources Department for more information.

How To File For Reimbursement!
- We cannot reimburse your expenses without your signature; you must completely fill out, sign and date the Reimbursement Form
- Employee Benefits Corporation cannot reimburse you until expenses are actually incurred and you receive an invoice; we cannot use estimates or pre-payment billings
- If your documentation only shows your expense as part of a Previous Balance or part of a Past Payment Date amount, it is not an actual invoice and is not acceptable
- Double check your attached documentation and make sure the information, such as date(s) of services rendered, type of service, amount, etc., is correct
- Cancelled checks or credit card statements are not valid documentation and Employee Benefits Corporation cannot accept them
- When photocopying your documentation, make sure the copies are clear and complete
- If faxing, submit only one Reimbursement Form with complete documentation per fax transmission
- If you are unsure whether an expense is reimbursable, contact us before you incur the expense at 800 346 2126

How To Submit Year-End Claims
Claims submitted for expenses incurred during the 2-1/2 month Grace Period will first be paid using funds from your previous Plan Year. Once that money has been used, claims will be paid using funds from the current plan year, provided you chose to participate and funds are available.

<table>
<thead>
<tr>
<th>Old Plan Year</th>
<th>2-1/2 Month Grace</th>
<th>New Plan Year</th>
<th>90-day Runout</th>
</tr>
</thead>
</table>

To use the Grace Period for a claim that is greater than the amount remaining in your old account, the claim must draw from both the old and new accounts. The expense must be incurred during the 2-1/2 month Grace Period. Submit all your claims no later than the last day of the 90-day runout.

To prevent receiving a partial payment, limited to the amount remaining in your old plan’s year-end account, wait until your new plan is activated before submitting the claim.

If you submit an expense before your new account is activated and your claim is greater than the amount remaining in your old account, you will only receive a partial payment. Resubmit the unpaid claim in order to receive the entire payment.

We cannot reprocess or reorder your claims to pay out of a different year. It is your responsibility to submit claims against the correct Plan Years as described above.

You can look up your account information on our web site. If your new Plan Year is listed, it is activated and ready for use. You can also contact us at 800 346 2126 before you submit your claim. A Participant Service Representative can look up your account information and walk you through your claims submission process or you can choose to listen to your information using our automated Telephone Account Assistant.

The grace period will always end on the 15th of the month. You have until the last day of the 90-day runout to submit your claim. Claims submitted within this window will be applied to the Plan Year in which they were incurred.

If you terminate during the Plan Year, you have only 90 days to submit claims after your termination date. The 2-1/2 month Grace Period will not apply.

Exclusions: What To Do When A Claim Is Rejected
If a claim is deemed invalid (excluded), you will receive an Exclusion Letter identifying the expense and the reason it was excluded. If you resubmit the claim, include the Exclusion Letter and any additional documentation or requested information within 180 days of receiving the Exclusion Letter. Additional information on resolving claims is available in the Summary Plan Description.
