The Office of University Apartments and Off-Campus Student Services offers a variety of resources for students who are looking for summer housing in the Marquette neighborhood. The office maintains a listing of students who have leases and are looking for student subletters over the summer - just ask for the “I Want A Subletter” listing. This information is regularly updated, so keep checking back for new listings. We also recommend that you check out the housing classifieds on the MUSG 3Dogears2 website (http://www.marquette.edu/musg/pages/dogears.html). The office also offers summer housing in Humphrey Hall - applications are available in the UAOCSS office located at 1500 West Wells (the new section of Campus Town).
