Catherine Hutchins

Certainly any resident or guest of Campus Town West can’t help but smile after their interactions with Catherine Hutchins. Whether it be a quick hello in passing or the many residents who time and time again stop to talk with her. Catherine is a Desk Receptionist (DR) which completes her work with a great sense of pride. She has the utmost dedication to the residents of the building and a genuine willingness to help out her fellow DRs. So the next time you enter Campus Town West and Catherine is working at the Service Desk, just give her a smile and thank her for the great work which she does to serve you!

Tip of the Month

Fall is here! It’s that time of year when the cold virus runs rampant. Here are some tips to stay healthy during cold and flu season:

---

- Sleep 7-8 hours each night. A full night’s sleep keeps your immune system intact (and, many studies show it can help boost your metabolism so that you don’t gain excessive weight!)
- Remember your vitamin C. Eat citrus fruits or drink fruit juices.
- Wash your hands often.
- Take care of yourself if you do become ill. Do not be afraid to take a sick day if you need it.

Global Village Ambassador Applications Available!!!

Would you like the opportunity to live in Campus Town West with an international exchange student? Would you like the chance to get to know another way of life, share different foods, and/or work on a second language? Do you love culture? If the answer to any of these questions is yes, then we would love to get to know you! Pick up an application at the University Apartment Office and return it by October 17. We will then set up an interview with you!

Thank you to the BookMarq for their generous donation of $50.00 to the Lobby Series in September!

Submission Guidelines

All submissions will be due by the 15th of the month prior to future publishing and must be sent via email to daniel.bergen@mu.edu. “The Coaster” is the property of Marquette University and we reserve the right to edit pieces or deny their ability to be published at any time for any reason.

News to Note

Sign-up Begins

This month we will begin accepting $200 deposits to activate your sign-up time for next year. We will begin collecting deposits on Monday, October 17 through October 28. Checks should be made out to “Marquette University”.

Sign up for current apartments will be from November 7-9. Sign up for different apartments will be from November 10-11.

Fall Leases

For those of you who have only signed fall term leases: If you are interested in signing a Spring semester lease please stop by our office.

Trick or Treat? Or Both?

With the recent establishment of an Apartment’s Council, the kickoff of the Blood Drive season, and an upcoming Acoustic Cafe, the University Apartment Community has been busy. October will be no different. As we look to involve more people in the community, the Council has agreed to seek your feedback regarding future programs. Most pertinent to this month: whether or not we want to open up our doors and invite community children in for the chance to trick-or-treat. As with any program the “trick” will be opening up our doors as a community, the “treat” will be the many smiling faces that our open doors will invite.

As the middle of the semester approaches, we continue to work as an office to serve you. Please let us, or your Apartment Council, know if you have any concerns.

Sincerely,

Dan Bergen
Area Coordinator for the University Apartments

**Greetings,**

I hope that everyone is having a good start to their year and that it continues to go well for all. My name is Kevin Alby and I am honored to have been selected by you, the Apartment Community, to represent and lead you. I emphasize the phrase “Apartment Community,” because that is what it really should be a community. If not all of you are sure of what I am talking about, I am referring to the University Apartment Council, of which this is its inaugural year. We are a body of students who are here to represent you and to help further the community atmosphere that encapsulated the first years of your Marquette experience. I sincerely hope that everyone takes the opportunity that the council presents, getting to know your neighbors and fellow community members. At the same time I ask that you are patient with us as we strive to create a council that best caters to your needs, voicing your concerns in the most effective manner possible. I also ask that you help us in becoming your voice and developing that community that we all have come to know and expect by being at Marquette. We hope to have many events that satisfy your needs for socialization as well as many others that nourish your mind and soul. We cannot do this alone, however, ans so I once again implore your assistance in making the Apartment Council a success. We are here for you and can only serve to those who help us realize the issues that are affecting them. I thank you for your time and hope that this year is a successful one for all of us.

Sincerely,

Kevin Alby  
University Apartment Council President
