Come be a CRRRAAZZZYY FAN at Crazy Fans!

Show your Marquette pride by coming to Crazy Fans at the Al McGuire Center on Monday, November 26, a Time Warner Televised Event!! The doors will open at 6 PM, and things will get rolling with a number of fun activities, including the chance to get your picture taken with cardboard cutouts of your favorite MU basketball players. The action heats up at 7 PM when the NCAA tournament-qualifying women's basketball team takes on William and Mary. Contests, drawings, and prizes will be given out throughout the game, including special awards for the craziest dressed fan. Dinner will also be provided. Bring your voice and crazy gear to cheer on one of the best teams in the nation!

Moving Out Next Semester??

If you will not be returning to the Marquette campus for the spring semester due to graduation, transferring or withdrawal, a co-op position, studying abroad, or a physical therapy affiliation, you will need to contact the Office of Residence Life. Please stop by the office in Carpenter Tower 203 to fill out the appropriate paperwork no later than Friday, November 30. Failure to do so may result in additional charges on your Bursar bill for the Spring Term. If you have any questions about the process, please call the ORL office at 288-7208.

Residence Hall Association...

The Residence Hall Association, RHA, represents you! In your hall, there are one to five representatives serving in hall council that you can contact with issues or program ideas. They represent you in various capacities on committees addressing a variety of issues such as dining, university space, the recreation center, and more. We also put on programs such as HALLOWEEN, Miracle on Central Mall, Crazy Fans, MU Game Show, and Siblings Weekend. If you would have any ideas or concerns about issues pertaining to the residence halls, feel free to contact your representative. If you are interested in becoming a leader in your hall, feel free to check out your hall council or talk to your RA!

CONGRATULATIONS!!!
