We strongly recommend that students view properties in person and read the entire leasing contract before signing it or paying any money.*
UNIVERSITY APARTMENTS AND OFF-CAMPUS STUDENT SERVICES

The Office of University Apartments and Off-campus Student Services (UAOCSS) was created in 1999 to better serve students who live in the university-owned apartment buildings, as well as those students who choose to live in privately owned housing in the Marquette University neighborhood. UAOCSS is part of the Office of Residence Life in the Division of Student Affairs. Our office is located at 1500 W. Wells Street, and our office hours are 8:00 a.m. – 4:30 p.m. Monday through Friday. We can be reached at (414) 288-7281.

Off-campus Student Services

The services UAOCSS provides to students living in the Marquette neighborhood include:
- Publishing the Tenant Guide, an annual publication that lists many of the area properties and their amenities. The Tenant Guide also has valuable information regarding what to look for in an apartment or house, what to consider before signing a lease, and other information about safety, budgets, dining options, apartment inspection and damage checklists, roommate contracts, and tenant rights and responsibilities. The Tenant Guide is provided to all sophomores living in the residence halls, as well as any student or parent who requests one from the UAOCSS office.
- Publishing a monthly electronic newsletter, Renter’s Write, for the off campus student population
- Publishing What Every Parent Should Know: Living Off Campus at Marquette University, a guide for parents of Marquette students who are considering living off campus
- Providing listings for students looking for sublets or roommates
- Addressing concerns between students and landlords
- Providing educational programming in the residence halls for sophomores interested in living off campus
- Facilitating the Marquette Neighborhood Landlord Tenant Council, a group of university administrators, students and area landlords that meets to address issues in the neighborhood.

University Apartments

UAOCSS manages the seven university-owned apartment buildings, which include:

**Abbottsford Apartments:** 722 N. 13th St.
**Campus Town East:** 1500 W. Wells St.
**Campus Town West:** 819 N. 16th St.
**Carmel Apartments:** 610 N. 17th St.
**The Gilman Building:** 1621 W. Wells St.
**The Frenn Building:** 1615 W. Wells St.
**Humphrey Hall:** 1716 W. Wisconsin Ave.

University Apartment Assignment and Leasing Process

There are two different processes for the Abbottsford Apartments (graduate and family housing) and the remaining six university apartment buildings (housing for primarily single, undergraduate students).

Living in any of the university-owned apartment buildings is a privilege for students attending Marquette University. Unlike the undergraduate residence halls, we are unable to guarantee an apartment for every student desiring on-campus housing. In accordance with the leasing agreement, students living in university-owned apartments must be a full-time student throughout the entire term of the lease. In addition, a student’s conduct history, including placement on university or Residence Life probation, may have an impact on his or her ability to sign or renew a lease with the Office of University Apartments and Off-campus Student Services. For more information regarding student conduct, discipline and probation, see At Marquette.

Abbottsford Assignment Process

Applications for residence in the Abbottsford are accepted with a housing deposit that will be applied to the first semester’s rent. For the beginning of the summer or fall term, the assignment process begins in January on a first-come, first-served basis. Leases are sent to new tenants in the spring with lease terms beginning in June or August and lasting for one semester or until the end of the spring semester. For the beginning of the spring term, the assignment process begins in October on a first-come, first-served basis. Leases are sent to new tenants prior to the semester break with a lease term from January to May.

Campus Town, Carmel, Frenn, Gilman and Humphrey Assignment Process

The assignment process occurs in the fall prior to the beginning of the following fall term. (i.e., to live in one of these buildings beginning in August 2005, the process begins in October 2004).

Housing deposits are collected after the mid-semester break in the Office of University Apartments and Off-campus Student Services. Sign-up for apartments occurs in mid-November, at which time the student can assign him/herself along with the appropriate number of same-sex roommates. Apartments are rented by the unit, not bed space. It is the responsibility of the tenants to find roommates, as the Office of University Apartments and Off-campus Student Services does not assign open bed spaces. All persons living in the university apartments must be current, full-time Marquette students. Leases will be signed with all tenants in the beginning of the spring semester, with lease terms of one semester, academic year (August – May) or calendar year (June – May).
**Summer Housing**

There is a limited amount of space available for students for summer housing in Humphrey Hall. Applications are available after the spring mid-semester break. This housing is assigned and billed by bed-space in one or two bedroom apartments.

**Marquette Global Village at Campus Town**

The Marquette Global Village at Campus Town is a program that unites current Marquette students with new international exchange students together within the community of Campus Town West. This program was initiated in 2002 in cooperation with the Office of University Apartments and Off-campus Student Services, Office of Campus International Programs and International Business Studies. The intention of this program is to provide a positive living experience in which new international exchange students can develop their English language skills and learn more about American culture while current Marquette students expand their knowledge and experiences with other cultures. For more information, please contact the Office of University Apartments and Off-campus Student Services at (414) 288-7281.

**SAFETY**

Safety is one of the most important factors to consider when choosing a place to rent. Many students never stop to consider the security of their apartment until they actually move in. While looking at off campus housing, there are some questions to ask both the landlord and the tenants that currently live there. They include:

1. Have there been any thefts, robberies or attacks in or around your apartment building?
2. If so, what had been done to ensure that this did not happen again?
3. Does Public Safety regularly patrol this area?
4. How often are the locks changed in the building and who has copies of the keys?
5. Has Public Safety conducted a security survey of the property? If so, what was the result and what if any problems were corrected? Which were not corrected?
6. Students can contact Department of Public Safety and ask about crime statistics for the building they may rent.

**Public Safety**

Marquette maintains a Department of Public Safety as a security and safety service to the university community. Public Safety officers monitor off-campus areas with squad, foot and bicycle patrols. Officers are trained to respond to all calls for help, crimes in progress, crisis and emergency situations, and medical assistance.

The department also maintains an outdoor telephone system which includes more than 80 Blue Light Phones that connect directly to the Public Safety communication center. The communications officer will know the location of the caller and will dispatch assistance immediately if needed.

The Department of Public Safety is open 24 hours and is located in Structure 1. Services can be obtained by calling 288-6800. In an emergency, students should call the emergency line at 288-1911.

L.I.M.O. vans provide free, safe transportation for students to and from any point within the service area. A fleet of L.I.M.O. vans travel within a service area stretching from North 7th Street on the east to North 24th Street on the west, and from Clybourn Avenue on the south to State Street on the north. L.I.M.O. vans stop regularly at all residence halls in addition to various academic buildings. Student drivers operate these vans nightly from 5 p.m. to 3 a.m. year round. To obtain a ride, call 288-6363, wait at a L.I.M.O. Stop location, wave down a L.I.M.O. van as it’s driving down the street, or use a Blue Light Phone.

Safety patrollers, outfitted in yellow shirts and jackets, provide walking escorts to and from campus buildings, parking lots, nearby businesses and residences. Safety patrollers walk from Straz Tower on the east, North 20th Street on the west, Valley Fields on the south, and up to West State Street on the north. Safety patrollers operate during the academic year from 5 p.m. until midnight.

Public Safety’s Preventive Services Division can assist students living in the nearby off-campus neighborhood with a variety of resources. Contact Public Safety at (414) 288-6800 to inquire about any of the following programs and services.

**Neighborhood Watch Programs**

A program designed to create a safer neighborhood, along with a greater feeling of community, is offered to those connected with the off-campus neighborhood.

Student residents, landlords and business owners can join together by participating in Public Safety’s Neighborhood Watch Program. All it takes is a commitment to your neighborhood and the willingness to alert Public Safety and the Milwaukee Police Department of suspicious activity in the area.
Vacant House Watch Program
Through the Vacant House Watch Program, students and employees residing in the near off-campus neighborhood can register their vacant residences. This confidential information is provided to officers, who will monitor the residences during their patrols. Forms to register your residence are available at Public Safety or will be delivered to your door in the weeks prior to Winter Break.

Security Surveys
A crime prevention officer can assist you in determining the security of your residence. The crime prevention officer will walk through your residence with you and prepare a written report detailing security concerns with your residence. The written report can then be discussed with your landlord for improvements.

Door Safety
A door is the means of entry for an intruder in 80 percent of all break-ins. There are some basic precautions that must be taken in order to ensure that your door is secure.
1. The door must be sturdy. Only solid wood or metal doors offer real protection. Glass in the door is an obvious weakness and should be avoided.
2. All doors have hinges. If your door swings out, the hinges will be exposed. An intruder can easily remove the pins and remove the door. You can prevent this by sliding a strong pin into the edge of the door with enough of the pin protruding so it fits snugly into a hole drilled into the frame. Even if the hinges are removed, the door cannot be lifted out. Talk to your landlord before making any repairs or changes to the door.
3. Lock your door! Doesn’t that sound simple? This is the first line of defense to prevent theft. Surprisingly, some students leave their apartments or houses unlocked and sometimes open. If you live in an apartment building, be courteous of your neighbor’s safety and do not prop open the main door. Be diligent in keeping your doors locked for the safety of yourself and your belongings.

Locks
There are two kinds of locks commonly used in apartment doors in Milwaukee. The first is the key-in-the-knob spring bolt. This lock offers you little protection because it can easily be opened with a knife or credit card. The second type of lock is a dead bolt. A dead bolt features a metal bolt which, when engaged, fits into the door frame. Dead bolts should extend at least 1/2 inch into a metal plate on the door frame. A combination of the two locks is your best bet for safety.

Window Safety
All windows should be secured. Thieves have been known to carry ladders to enter windows above ground level. The window used in 90 percent of apartments and houses in Milwaukee is the double-hung window, the kind where one or both of the two panels will slide up, down or sideways. Of all windows this type is the most vulnerable. These windows are often fastened with a butterfly lock that can be opened by even the least skilled thieves. Consult your landlord before you try to make your windows more secure. Here are a few options you may want to discuss:
1. A window lock with a key will prevent the window from being opened even if the glass is broken. If you are concerned ask your landlord to install this type of lock.
2. Double-hung windows can also be secured by a large nail or bolt inserted into the window track or in a hole drilled through the window frame. A duplicate on the other side of the window frame will add additional security. You can have your landlord drill a few sets in the window at various heights for ventilation, which is called “pinning.”
3. Iron bars offer obvious protection yet are not commonly secure. There is also a problem concerning the safety of these bars in the case of a fire. Bars should be vertical, not horizontal. Horizontal bars can be used to climb up to the next level of windows that may not have bars on them.
4. Purchasing an alarm is a good form of prevention and they are becoming increasingly inexpensive. Some houses come equipped with an alarm system, but frequently students are responsible for paying for the service that connects the alarm to a centralized response location.

Fire Prevention
1. Be careful of all smoking materials.
2. Do not overload electrical outlets.
3. Do not leave burning candles unattended.
4. Do not use halogen lamps. If you do, make sure you keep all materials away from the light source.
5. Clear all trash out of your living area. (Note: You may also want to do this to keep bugs and rodents away.)
6. Exercise caution around your gas stove or any other open flame.
7. By law, your apartment must have a smoke detector no more than 6 feet from sleeping areas. Be sure to test the batteries monthly and charge or replace them annually.
8. Call your landlord immediately if your smoke detector isn’t working. A battery is the world’s cheapest life insurance.

When You Are Inside Your Home
1. Never let a stranger in! Do not open your door or “buzz” in people you don’t know.
2. It is not a good idea to display your name on your mailbox or front door. If it is impossible to avoid this, then use only a first initial and last name.
3. Avoid lending your keys to others.
4. Request that your landlord change the locks if you lose your keys. You may have to pay for this, but your safety is worth it!
5. Engrave your driver’s license number on all valuables. Engravers can be borrowed from the Department of Public Safety.

6. Check to see if you and your belongings are protected by your parent or guardian’s insurance. If not, you may want to purchase renter’s insurance, which is relatively inexpensive and available through any insurance company.

**On-/Off-campus Safety**

All of us walk around campus, but many criminals will look for vulnerable people to victimize. The advice here seems to be obvious, but these elements of caution are often forgotten.

1. Never carry too much cash with you.

2. Use the L.I.M.O. vans and Safety Patrol Service. Do not walk alone. Travel with a friend or call the Public Safety Patrol or the L.I.M.O. service.

3. Do not call attention to yourself by flashing money around.

4. Walk on brightly-lit streets, avoiding dark alleys and large shrubbery.

**MARQUETTE NEIGHBORHOOD EXPECTATIONS**

*Developed by the Marquette Neighborhood Landlord Tenant Council  
Sponsored by the Marquette University Office of University Apartments and Off-campus Student Services (288-7281)*

1. This is our neighborhood. We must work together to keep it a positive and safe place to live. The quality of life in our neighborhood depends on mutual respect and concern.

2. Noise can be an intrusion and can attract uninvited guests to gatherings. Music from any source, especially parties, is too loud if it can be heard outside of the apartment or house it is coming from. Please be respectful of your neighbors.

3. If neighbors choose to host parties, they should do so in a responsible manner. They should keep their gatherings small, inviting only guests they know. If alcohol is being served, hosts should ensure that no underage guests are consuming alcohol and that their gatherings are under control at all times. Any non-invited guests should be asked to leave and any disruptive behavior should be reported immediately to the Department of Public Safety. It is the responsibility of the host to clean up any garbage that results from their party.

4. Keep our neighborhood clean. Dispose of garbage in designated areas only. Rodents are attracted to garbage in alleyways and people can be hurt on broken glass.

5. How we feel about our neighborhood has a lot to do with how our neighborhood looks. Overgrown weeds, eroded yards, trash anywhere and generally uncared for property promotes a negative image for our neighborhood. Neighborhood residents and landlords are all expected to do their part.

6. Drugs will not be tolerated in the neighborhood. Neighbors should call the Department of Public Safety anytime the presence of drugs is detected in this neighborhood. The stability of our neighborhood depends on this.

7. Landlords who do not live in the area are expected to be responsible neighbors as well. Keep your property in the same condition you would if it were your own home. Landlords should also pay special attention to the security of their properties for the safety of both their tenants and the neighborhood.

8. Neighbors are expected to be alert to illegal activity in our neighborhood and report such activity to the Department of Public Safety.

9. The only way to keep our neighborhood safe and secure is to keep our eyes open, report suspicious behavior and know who our neighbors are. We cannot be afraid to get involved – it is the only way to improve our neighborhood.

WHO IS ELIGIBLE FOR OFF-CAMPUS HOUSING?

All single first- and second-year students regardless of academic classification are required to live in the residence halls. Exceptions are made for students residing with a parent or guardian within a 30-mile radius of campus, students who are at least 21 years of age, or those who have been out of high school for two full years or longer.

The housing agreement made with the university is for the entire academic year when the university is in session. Students who sign and submit a housing agreement are bound by the terms of that agreement, even if they are not otherwise required to reside in university housing.

Exceptions to the university housing requirements and requests for release from the housing agreement must be approved in writing by the Office of Residence Life. Request forms may be obtained from the Office of Residence Life. Requests will be reviewed by the coordinator of housing services and the Appeals Board, comprised of representatives from Financial Aid, Academic Affairs, Residence Life and the student body.

Things to Look For

Everyone has his/her own idea of what aspects are most important when searching for an apartment or house. Considerations such as location, cost and space usually weigh heavily in the decision of where to live. The list below outlines other factors that may influence one's decision:

- Air Conditioning
- Appliances
- Cleanliness
- Electrical Outlets
- Exterior Lighting
- Furniture
- Heat
- Location
- Neighbors
- Noise Levels
- Parking
- Pets
- Price
- Rodents
- Room Size
- Safety
- Security
- Space
- Special Rules
- Subletting
- Type of Lease
- Utilities
- Weatherization

Before You Sign a Lease

1. Explore all of your options before making a final decision on a place to live.
2. Ask to see the actual apartment you'll be renting.
3. Tour the premises and talk to current tenants about their experiences with the property and landlord.
4. Read the lease in its entirety before you sign! If you have questions, ask the landlord or consult with the Office of University Apartments and Off-campus Student Services.
5. Ask questions! A good landlord won't mind. You are about to sign a legally binding contract – you should be well informed about its terms and conditions.
6. **Don’t be pressured** into signing or paying for anything with which you are uncomfortable.

7. **Get everything in writing.** Be sure that everything you and your landlord have agreed to is contained in a written document. If you have any questions regarding a provision in the lease, request an explanation before signing the lease. If you wish to strike or modify a lease clause, you may be able to negotiate that with the landlord.

**After You Sign the Lease**

1. **Retain a copy of the lease.** If you lose your copy of the lease, request that the landlord send you another one. It is also important that the lease contains the landlord’s name, address, phone number and emergency maintenance contact information. Keep your lease in a readily accessible file should you have questions during your tenancy.

2. **Get the landlord to inspect your apartment in your presence** noting any damages or defects in the condition of the premises and sign a rental condition report indicating the date, condition of the premises and unit number. **Be sure to keep a copy of the checklist.** This will assist you in documenting any damage to your apartment before you moved in and when you move out.

**Common Reasons People Wish They Could Break Their Lease, But Can’t!**

1. Do not get along with roommates
2. Utility bills are too high
3. Transferring schools or jobs
4. Dropping out of school/study abroad/co-op
5. Minor repair problems
6. Found a better place
7. Do not like the apartment anymore
8. Because they want to
9. Marriage
10. Buying a house

**Things to Consider Before Renting**

**Rent:** You should know the amount of rent payable, when and where it is payable, and penalties, if any, for a late payment. Discuss with your roommates how you are going to divide up the rent. You should figure this out before signing your lease. Rent is normally due on the first day of each month. Some landlords permit payment until the fifth day of each month, after which they will charge you a fee for late rent. Find out what your landlord’s policy is and where your rent should be paid before signing a lease. If you pay your rent in cash or with a money order, it is a good idea to obtain a receipt for every rent payment you make. Keep these receipts or your cancelled rent checks in a file with your rental agreement in the event of a dispute.

**Appliances:** Appliances may include refrigerator, stove, dishwasher, garbage disposal, air conditioning and microwaves. Make sure you know exactly what appliances your house or apartment has. Inspect the quality and working condition before you sign your lease and when you move in.

**Utilities:** Utilities include water, heat, sewage, electric, gas, telephone, cable and Internet. Obligations to pay these should be set out in the lease. It is your responsibility to put the utilities in your name when you move in. Make sure you know exactly what utilities are included with your rent. If you have roommates, discuss who will pay for what and how the bills will be divided. Some companies will allow payment with multiple checks, while others will require one check per account.

**Security:** The security of the doors, locks and windows should be inspected before signing your lease and when you move in. It is a good idea to ask the students that currently live there if they have experienced problems with the security of the building. You may also want to ask Public Safety if they have conducted a security survey of the property in which you are interested. If not, try to coordinate this with the existing tenants before you sign the lease.

**Security Deposit:** Most places will require some sort of deposit when you sign a lease. Find out where this money goes. The amount (usually one month’s rent or more) and what it will be used for should be explained in the lease. Disputes can arise over the extent of damage done to the premises by the tenants. You should note any damages and give a copy to your landlord when you move in. Be especially careful when you move out to leave a forwarding address with your landlord and to thoroughly clean the premises. You should receive your deposit back, minus money for damages, and a list of those damages within 21 days of moving out.

**Parking:** You may want to purchase parking through your landlord or Marquette. To park in a Marquette University lot or structure at anytime throughout the calendar year, a parking permit must first be purchased by registering the vehicle with the Parking Services office. Resident students can purchase 24-hour permits. Commuter, evening and part-time student permits are also available for sale. Contact the parking office at (414) 288-6911 for information on any parking related inquiries. Check with your landlord for availability and price of their spaces. Parking is also available through the city of Milwaukee. Call (414) 286-8350 for more information.

**Subletting:** Studying abroad and co-oping are very popular programs at Marquette. Make sure that your landlord permits subleasing if you plan to sublet. If you plan to be gone for a semester, you have a couple of options. You can live alone or with someone else studying abroad and find an apartment that allows semester or month-to-month leases. Another option is to find a sublessor. You can find sublessor listings at Off-campus Student Services.

**Noise Levels:** Do you prefer a quiet environment or do you enjoy a more social atmosphere? Talk to current residents of the building you are interested in to find out if that environment suits you.
Pets: If you are planning on having a pet, make sure your landlord allows that type of animal before you sign a lease. A landlord who allows pets may place restrictions on type and size, as well as require additional deposits, some of which may be non-refundable. Do not get an animal assuming you will be able to get permission from your landlord to keep it. Permission is rarely given, and it isn’t fair to the animal if you have to give it up for adoption.

Rules: Rules vary greatly with leases and can cover items such as noise levels and parties.

Right of Entry: A landlord has the right to inspect, repair and show the premises at reasonable times. Except for emergency situations, the landlord may enter only after a 12-hour advance notice unless you allow entry on shorter notice.

Repairs: The landlord is responsible for making any repairs that are necessary to comply with local housing codes and to keep the premises safe. If the landlord refuses to repair major building defects, you may report the defect to your local building or health inspector. The landlord may not retaliate by evicting you. Unless otherwise agreed, tenants are usually responsible for routine minor repairs. You are also required to comply with any maintenance and sanitation requirements imposed on tenants by local housing codes. You are financially responsible for any damages that you or your guests have caused. Consult your lease for specific details on your responsibility vs. your landlord’s.

RENTER’S INSURANCE

 información taken from “Renters Policy” brochure, provided by State Farm Insurance Co.,

 www.statefarm.com

When you rent, you make a big investment in furniture, electronic equipment, personal belongings and all the other things that help make your apartment or your house a home. Renter’s insurance can provide protection for your personal property and your personal liability.

Common Myths About Renter’s Insurance:

“Renter’s insurance is too expensive.”
For just pocket change a day, renter’s insurance can provide affordable basic protection of your personal property and can protect you in case of a liability lawsuit.

“I don’t own very much.”
Most people’s belongings are worth more than they expect. Renter’s insurance can cover your personal property for loss caused by fire, theft, vandalism, sudden and accidental discharge of water from plumbing or appliances, and freezing of plumbing systems, to name a few.

“I think my landlord’s insurance covers me.”
Your landlord’s insurance only covers the dwelling – not your personal belongings and your liability.

“I don’t need liability insurance.”
Your landlord’s policy excludes liability for something that occurs in your rented residence. You could be held responsible for injury to another person or damage to another person’s property if an incident occurred within your rented residence or elsewhere. Without liability coverage, your current and future earnings could be at risk. Renter’s insurance may also provide legal defense costs.

ARE YOU READY TO MOVE OUT OF THE RESIDENCE HALLS?

Please review the following checklist to ensure you are prepared to move into your apartment or house.

■ Plan ahead what you will do before your apartment is available. The residence halls close in mid-May and most leases don’t begin until June 1. Temporary housing is normally available in one of the residence halls. Call the Office of Residence Life at 288-7208 for more information.

■ If you need a sublessor, list with Off-campus Student Services, post in the AMU and start talking with friends.

■ Get move in day information from your landlord, i.e., where to go, what time to pick up your key, which utilities you are responsible for.

■ Call the various utility companies to have the bill placed in your name.

■ When you move in do an apartment inspection. Your landlord may provide you with a form or you can use the Damage Checklist provided in the Tenant Guide. Give a copy to your landlord and keep one for yourself. Take pictures of any obvious or large damages and, again, give copies of the pictures to your landlord and keep copies for yourself.

■ Get all agreements with your landlord in writing.

■ Find out who to contact for maintenance during regular business hours and after hours. Keep the name and phone number in an easily accessible place in your apartment.

■ Get a copy of the lease you signed from your landlord.

LANDLORD TENANT GRIEVANCE RESOLUTION PROCESS

The Marquette Neighborhood Landlord Tenant Council has developed a three-step process that a landlord or student may use to address issues and concerns that arise over the course of a leasing period.

Step 1: The complaining party should address the issue directly with the other party.
Step 2: If action is not taken after directly addressing the issue, the complaining party may contact the Office of University Apartments and Off-campus Student Services and request a meeting between the two parties and a representative from our office.

Step 3: If Steps 1 and 2 prove unproductive, it is the recommendation of the Landlord Tenant Council that the situation be referred to the Department of Neighborhood Services or formal mediation for resolution.

The goal of this process is to facilitate communication between students and landlords and come to positive resolutions before the situation escalates to a formal complaint filed against a party with the Department of Neighborhood Services or eviction. This process is intended to give students and landlords the opportunity to communicate openly with one another, address issues as they arise, and ultimately improve the relationships between students and landlords.

Maintenance and Repairs

Your lease should outline what you are responsible for repairing and what your landlord takes care of. Be sure to read your lease and understand your responsibilities. Your landlord should provide you with a number to call for maintenance concerns when you move in. You should also be provided with an after-hours emergency maintenance contact as well.

It is crucial that you inspect the premises when you first move in. Document any damage and the condition of the appliances and area. Make a copy for your records and give a copy to your landlord. Your landlord will be able to use this when you move out to see what damage you may or may not have caused. Get everything in writing as it is the best way to protect yourself. You may want to take pictures of any significant existing damage, such as large stains or damage to walls. Provide a copy of the pictures to your landlord and keep copies for yourself.

If problems arise, statutes set out the duties of both the landlord and the tenant in maintaining the premises. These statutes apply only if there is not a written agreement to the contrary. In these statutes, the landlord has the duty to make all large repairs, all repairs to the equipment necessary to the services that have been agreed to, and the repairs and maintenance of all common areas.

Keep in mind that maintenance and repair information may vary from lease to lease. You should read your lease before signing and talk to current tenants to get a sense of how the landlord handles maintenance and repairs. If you see a problem developing please use the Landlord Tenant Grievance Resolution Process outlined above. This process has been designed by landlords, tenants and university officials to help resolve these types of conflicts.

Eviction

Tenants who pay partial rent, no rent or late rent (even one day late) put themselves at risk of eviction, as do tenants who break the rules or terms of the rental agreement or cause damage.

Month-to-month tenants may be given either a written “Five-day Quit or Pay Rent Notice” or a 14-day written notice to vacate the property.

Five-day Notice: This written notice from the landlord gives the tenant five days to pay rent or move out within the five days. If the tenant pays, the tenancy continues. This notice can also be used for violations of the rental agreement, or material damage to the property.

14-day Notice: This written notice specifies that the tenancy has ended because the tenant failed to pay the rent, broke the agreement or damaged the property. This notice does not offer the option of paying the rent and staying in the building. If the landlord wants you to leave the property for violations of the rental agreement, a 14-day notice to vacate the property is usually given.

Termination notices for tenants on leases: When landlords don’t receive the rent on time or believe the tenant has broken the rental agreement or caused damage, they may serve a five-day written notice.

- If the tenant pays the rent within five days, the tenancy continues. If the tenant fails to pay the rent again within the following 12 months, the landlord may then give a 14-day termination notice for failure to pay rent without any other opportunity for the tenant to continue the tenancy.
- If tenants receive a five-day notice for breaking the agreement, they may remain if they make a correction and comply. If tenants break any rule of cause damage within the following 12 months, the landlord may give a final 14-day termination notice specifying the breach or damage.

If you refuse to leave the premises after your tenancy has been terminated, the landlord may start an eviction action against you in Small Claims Court. You will be served a summons. This is you notice to appear in court. It does not mean you are evicted. In court, the judge asks you and the landlord to explain your sides and then will make a decision about your eviction. If you receive a summons for eviction, seek the help of a legal aid service (look up Legal Aid in the yellow pages of your phone book) or consult with a private attorney (call the State Bar of Wisconsin Lawyer Referral Service (800) 362-9082 or (608) 257-4666).
Removal from the premises: The landlord may not confiscate your personal belongings, turn off your utilities, lock you out of your apartment or use force to remove you. If the small claims court judge rules in the landlord’s favor, the judge may issue a court order requiring you to leave the property. If you don’t, the county sheriff may remove you and your belongings from the premises. These steps may only be taken after the judge orders the eviction. If the court determines that you have wrongfully overstayed, the landlord could be awarded twice the amount of rent, prorated on a daily basis, for each day you unlawfully occupy the premises.

Rent Withholding and Rent Abatement
The state of Wisconsin has a Rent Abatement Program that allows the tenant to keep a portion of the rent for not being able to use all of their rental space due to code violations. The rest of the rent must be paid to the landlord. A tenant may choose to use both the city of Milwaukee Rent Withholding Program and the State of Wisconsin Rent Abatement Program.

Tenants in buildings with code violations may pay their rent to the Department of Neighborhood Services IF:

- The owner is in non-compliance of an order issued by either the Department of Neighborhood Services or Health Department, in accordance with the Milwaukee Code of Ordinances, AND
- An inspector has authorized the initiation of rent withholding by providing the tenant with a signed and dated rent withholding application, AND
- The tenant has not received an eviction notice and is current with their rent payments.

For further information on Rent Abatement or Rent Withholding, contact Community Advocates at 449-4777 (a.m.) or 449-8388 (p.m.).

ROOMMATE CONTRACT

Off-campus Student Services recommends that a Roommate Contract be completed anytime a new lease is signed or a lease is renewed. This document is designed to provide its users the opportunity to establish some guidelines related to the details of their living arrangements. Users are encouraged to spend quality time discussing each section, being as forthright and honest with their opinions as possible. Feel free to modify the form to fit your individual group’s needs.

Date of Agreement: ______________________ Address: ________________________________
Names of Roommates: _____________________________________________________________________________

Term or Period of Agreement
This agreement is to begin on ______________________ for a term lasting from ______________________ to ______________________. I fully understand and accept the rules and responsibilities of this agreement.

Security Deposit
The security deposit for the dwelling is $_________________. My share amounts to $ _______________. I understand that this amount will be returned to me less the amount deducted by the manager for unpaid rent and/or damages. I accept responsibility for damages which I, my pet, or a guest of mine causes, and I will reimburse my roommate(s) for the part of their security deposit withheld for those damages.

Rent
The total rent according to the terms of our lease agreement with our manager for the dwelling is $_________________ per month. I agree to pay 1/________ of the monthly rent. This amounts to $_________________. The total amount my roommate(s) and I are liable for over the period of the lease is $_____________, of which my share is $_____________. I understand that we, as a group and as individuals, are responsible to the manager for the total rent for the term of the agreement.

Utilities
I agree to pay 1/_____ of the deposits and/or hook up charges for all utilities.
I agree to pay 1/_____ of the monthly utility bills except telephone.
I agree to pay 1/_____ of the monthly telephone service charge, plus all long distance calls that I make.
I agree to pay as follows for any additional utilities: _______________________________________________________________________________________

Moving Out
If, for whatever reason, I move out of the dwelling, I realize it is primarily my responsibility to find a replacement. I agree to look for a replacement roommate who is acceptable to my present roommates. If one of my roommates moves out, I also will attempt to find a replacement roommate. I understand the need to be reasonable in accepting a replacement roommate. If I move out of the dwelling and a replacement roommate has not been found, I realize that I am still legally responsible to my roommates for paying my share of the rent and utility bills. I understand that I, as an individual, can be held responsible to my manager and/or the utility companies for up to the entire rent and/or utility bills, if my roommate(s) fails to fulfill their part of this agreement.

APARTMENT CONDITION REPORT

When you first move into your apartment or house, take a few minutes to inspect and note any damage. The damage checklist is designed to document any problems (structural damage, holes in the wall, leaky plumbing, etc.) you see when you move in, so that you do not get charged for them later. Simply take this form and go through each room in your apartment/house and record any problems you find. Give a copy to your landlord and keep a copy for your records. It may be a good idea to take pictures of any damage as another way to document it. Your landlord may provide you with a similar form to fill out; but if not, you may use this one.

CAMPUS DINING

Once you move off campus you may realize the real value of the university meal plans. The plans are not just for those students living in the residence halls – students living off campus can enjoy the same benefits. The meal plans offer convenience, variety, flexibility, nutrition and great food. As an off campus student, you can choose from four dining plan options. As an off campus resident you are not required to purchase a meal plan for each semester. To sign up for a meal plan, contact the Office of Residence Life at 288-7208.

**Block Plans**

Block Plans offer you unlimited daily access to any dining hall and Eagle Option at the Union Sports Annex and AMU pub. The two Block Plans offered are 175 meals per semester and 125 meals per semester.

**Traditional Plans**

Traditional Plans offer you the security of a specific number of meals every week. You can use your Traditional Plan at any of the six residence dining hall locations. The two traditional plans offered are 19 meals a week and 14 meals a week.

**Furniture**

When it comes to moving into an apartment there are a lot of items that you need to buy including furniture. Try to find a friend or relative looking to get rid of furniture as a first step. You can also check out garage sales for inexpensive buys. Another good place to look would be at a local thrift store. Listed below are a few places that sell used furniture.

- Goodwill................................. 5675 S. 27th St.
  2364 N. 27th St.
- Marcia's Second Time Around..... 6803 W. National Ave.
- St. Vincent de Paul.............. 1826 Fond du Lac Ave.
- Salvation Army .................. 4747 W. Bradley Ave.
  2170 N. Prospect Ave.
- Value Village ..................... 729 S. Layton Blvd.
