

Research on African Americans from the Special Collections

Works created with primary source documentation now held by the Marquette University Libraries Department of Special Collections and University Archives. An asterisk () next to the author's name indicates that the work was created before Marquette acquired the related documentation. Institutional names in parenthesis indicate the known institution affiliations of authors and editors. If known, current affiliations are given for active authors and final affiliations are given for those who are retired or deceased. Last updated 10-09.*
