Welcome to Mission Week!
Each February, Marquette students, faculty and staff come together for a week of reflection and reconnection to Marquette’s mission, core values and spirituality in the world.
What is that reason? To educate, yes, but for what larger purpose? Marquette’s mission is rooted in our commitment to educating students as whole persons — intellectually, emotionally and spiritually — who go on to make the world a more just and loving place. At the heart of Marquette are the values of faith, excellence, leadership and service.
The Mission Week 2006 theme — "Human Dignity, Human Rights: A Call to Service" — builds on the momentum generated by the Opus Prize in November, 2005. Mission Week more deeply connects the Opus theme to our university’s Catholic and Jesuit roots. Most Mission Week events are free and open to the Marquette community; some are open to the public as noted.
