FOR IMMEDIATE RELEASE

MUSG TO PRESENT MADAGASCAR: ESCAPE 2 AFRICA

MILWAUKEE (February 11, 2009)- This week's Varsity Theatre movie "Madagascar: Escape 2 Africa" will be playing Friday, Feb. 13 and Saturday, Feb. 14 at 10 p.m. with admission being only \$2 when a valid MUID is presented and only \$3 for general admission.

According to the Internet Movie Database, in this hilarious sequel to the 2005 animated comedy "Madagascar", the animals escape from Central Park Zoo and end up stranded on the island of Madagascar. After a series of comedic events, in attempts to leave Madagascar the penguins repair a crashed airplane left on the island.

According to the database, the crew of animals stays airborne just long enough to make a crash landing in Africa. There, the animals are able to encounter species of their own kind for the first time.

Students will have the opportunity to see if these New York zoo animals can survive in this new environment or if they will want to make the long journey home to Central Park.
