The following data is provided regarding stand-alone certificate programs offered by the Marquette University Graduate School. The data is based on graduates of stand-alone certificate programs during the period July 1, 2011 through June 30, 2012. The number of on-time completers and all information on debt load is not reported if fewer than ten graduates are reported during this period. Job placement rate will not be reported until the Department of Education has promulgated the methodology to be used.
