Purpose

To provide a forum to share and discuss the impact of research, evidence-based practice, and quality improvement initiative on clinical practice and patient outcomes.

Target audience

This conference has been developed for staff nurses, advanced practice nurses, educators, managers, administrators, and students involved or interested in enhancing clinical practice or patient outcomes through research, evidence-based practice and quality improvement.

Continuing education

This activity has been submitted to WNA CEAP for approval to award contact hours. Wisconsin Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Aurora Health Care is the approved provider of the nursing contact hours in a joint-provider relationship with the Southeastern Wisconsin Research Consortium. Contact hours will be awarded for successful completion of the conference activities.
