

RIDER TO CONTRACT -- NONRESIDENT ENTERTAINER

Section 71.80(15), Wisconsin Statutes, requires that nonresident entertainers file a surety bond or cash deposit with the Wisconsin Department of Revenue if the total contract price for a performance in Wisconsin exceeds \$3,200.00. The bond or deposit, which is six percent (6%) of the total contract price, must be filed with the Department of Revenue at least seven (7) days before a performance. If the entertainer does not provide proof of filing the bond or deposit to the employer, the employer is required to withhold, from the entertainer's payment, the amount for which a bond or deposit should have been provided.

The law defines entertainer as a nonresident natural person who, for consideration, furnishes amusement, entertainment or public speaking services, or performs in one or more sporting events in this state and includes both employes and independent contractors. Sec. 71.01(2), Wis. Stats. Employer is defined as the resident person or firm which engages the services of an entertainer. . . . Sec. 71.80(15)(a), Wis. Stats.

The entertainer hereby acknowledges that it will not be posting a surety bond or cash deposit with the Wisconsin Department of Revenue prior to the event. As a result, Marquette University will deduct six percent (6%) of the contract price and transmit this amount directly to the Wisconsin Department of Revenue. Marquette University will provide entertainer with a receipt of this transmittal of funds at the time payment is made for the performance.
